## Product Certifications

## Delivering Excellence

When you choose Phenix, you're not only choosing an expansive catalog of the highest quality products, you're choosing a reliable team of experienced professionals who's top priority is to help you diagnose the problem, find the product to solve it and deliver it to you when you need it.

Pneumatic Systems,  
Vaccuum Automation,  
and Motion Control Solutions

## Products at a Glance

More  
Products  
Online!

Air compressors | Air preparation | Automatic drilling | Instrumentation valves and fittings  
Pneumatic, hydraulic & electrohydraulic cylinders | Precision bearings and slides  
Process automation valves | Robot EOAT grippers, kits, and full design services  
Sensing and measurement | Servo motors and electric actuators  
Shock absorption, deceleration and vibration isolation | Vacuum automation

Phenix Automation  
215 Tremont Street  
Rochester, NY 14608

COMPRESSED AIR

**Atlas Copco**  
Air compressors, dryers, and blowers with on-site service

**Becker Pumps**  
Air compressors, blowers, and vacuum motors

**Van Air**  
Compressed air dryers, natural gas dryers and desiccants

**Parker Watts**  
Air preparation dryers, filters, regulators, lubricators and accessories

**Alwitco**  
Industrial noise control mufflers, filters, silencers and vents

**Pisco**  
Pneumatic tube fittings, tubing, and flow controls

**Maximator**  
Air amplifiers, gas boosters, and air driven liquid pumps

**Sugino USA**  
Automatic drilling and tapping units, and multi-spindle heads

**Vaculex**  
Ergonomic vacuum driven lift assist

SENSING & MEASUREMENT

**Custom Control Sensors**  
Pressure, level, and temperature sensors

**NoShok**  
Pressure, level, and temperature transmitters and switches

**AW-Lake**  
Flow measurement instrumentation

**PIC Gauges**  
Gauges, thermowells and digital pressure gauges

MOTION

**Allenaar Alkon**  
Air & hydraulic cylinders, valves, transfer pumps, and rotary index tables

**American Cylinder**  
Pneumatic cylinders and flow control valves made in USA

**Eaton HydroLine**  
Pneumatic, hydraulic & electrohydraulic cylinders

**Advanced Machine**  
Position holding, power-off rod locking devices for pneumatic cylinders

**Rotomation**  
Actuators for rotary indexing, stepping and swing clamps

**Mirai**  
Servo Linear Actuators and Programmable Electric Actuators

**Sanyo Denki**  
Servo motors and amplifiers, stepping motors and drivers, controllers and encoders

**Neugart**  
Planetary gear boxes and custom gear heads

**Nippon Bearing Corp.**  
Precision bearings, bushings, slides, splines and linear actuators

VALVES

**Parker Skinner**  
General purpose industrial solenoid valves

**Deltrol**  
In-line accessory hydraulic and pneumatic flow, needle, and check valves

**Assured Automation**  
Automated and manual process flow control valves

**Wandfluh**  
High pressure hydraulic solenoid operated proportional spool valves

VACUUM & GRIPPERS

**Piab Vacuum Products**  
Suction cups, vacuum pumps, and foam grippers for industrial automation and robotics

**SAS Automation**  
Robot end-of-arm-tooling components, kits, and complete tools including design services

DECCELERATION & VIBRATION ISOLATION

**Weforma**  
Industrial shock absorbers, deceleration cylinders, speed controls, vibration isolation, air springs, rotary dampers, pallet stoppers and gas springs

VALVES

**Versa Products**  
Directional control valves for industrial, valve actuation, process, and oil & gas, in aluminium, brass, and 316 stainless steel
